PROCESS FOR RECONSIDERATION

Under FTDNC Bylaws, Article 7, Section H, the Board may reconsider and amend its action on items listed on the Agenda if that reconsideration takes place immediately following the original action or at the next regular meeting. The Board, on either of these two days, shall: (1) make a Motion for Reconsideration and, if approved, (2) hear the matter and Take an Action. If the motion to reconsider an action is to be scheduled at the next meeting following the original action, then two items shall be placed on the agenda for that meeting: (1) a Motion for Reconsideration on the described matter and (2) a proposed Action should the motion to reconsider be approved. A Board member who has previously voted on the prevailing side of the action taken can only make a motion of reconsideration. If a motion for reconsideration is not made on the date the action was taken, then a Board member on the prevailing side of the action must submit a memorandum to the Secretary identifying the matter to be reconsidered and a brief description of the reason(s) for requesting reconsideration at the next regular meeting. The aforesaid shall all be in compliance with the Brown Act.
