“Fritz Bronner, War Horse & Militaria Heritage Foundation, a 501-3c non-profit located in Lake View Terrace (1999) www.warhorsefoundation.com presenting a proposal for utilizing (long term lease) property next to Orcas Park, under CA Edison power lines and adjacent land under Army Corp of Engineers into Multi Use Equestrian Park (cross-country, trail trails, Tent Pegging, Endurance, Natrac) that would include habitat restoration, provide opportunities for youth equestrian programs and various equestrian show and competition events. This is mitigation for the lost trails and equestrian use that has occurred on the western portion of Hansen Dam over the last 15 years. This park would economically benefit local boarding facilities, trainers, and local businesses. This would be a lease from Edison and the city of LA (Rec & Parks) and operated like similar projects such as the Sullivan Canyon Preservation Association and ETI Conaho Equestrian Center.

Objective – a letter of support
