Regarding any City Council proposed uses for Lopez Canyon Landfill.

Community Impact Statement:

At its regular meeting tonight, the General Board of Foothill Trails District Neighborhood Council voted (vote) to request that the City Council notify the public via mailings to all City And County residents within ¼ mile and surrounding Neighborhood Councils of any new proposed uses for Lopez Canyon Landfill that are different than that adopted by Council File # 07-1660, which states;

“The City of Los Angeles has an opportunity to make good on its commitment to the Northeast San Fernando Valley community to mitigate the impact of the landfill and other environmentally hazardous land uses by using Lopez Canyon as a location that can serve the recreational and open space needs of residents”.

Sincerely,

Dale Gibson  
President FTDNC
