The Foothill Trails District Neighborhood Council (FTDNC), consisting of Lake View Terrace, La Tuna Canyon and Shadow Hills, exists to promote the greater local participation in government in order to make the Los Angeles City Council and City Government more responsive to local needs and wishes. Specifically, FTDNC is an advocate for the Stakeholders regarding land use, planning, development, and all issues of concern to our Stakeholders. FTDNC will strive to preserve the rural, recreational, ethnically diverse, and environmentally sensitive nature of our area as an important low-density oasis within the city limits. FTDNC comprises 3 of the few remaining horse-keeping areas within the entire city of Los Angeles.
