Regarding: AA-2007-4471-PMLA
9705 La Canada Way
Sunland, CA 91040

Dear Mr. Hendricks,

The Foothill Trails District Neighborhood Council, at its regularly scheduled General Board meeting this evening, voted to inform you that the applicant of 9705 La Canada Way, Mr. Imad About Hosn, has not contacted the FTDNC as required in your telephone conversation with Ms. Woodruff, Land Use Chairman.. An extension was granted so that the NC could talk with him and obtain missing information regarding his previous appeal.

We appreciate your sending the file information that you did. The irregularity of the previous NC responses regarding this case and Mr. Hosn's lack of communication with the FTDNC should be noted on his file. The community is still very concerned about the fire and safety access to this property and hopes that the Planning Department, as well as the Fire Department and Building and Safety, make sure that all appropriate steps are taken to protect the public.

Sincerely,

Dale Gibson, President FTDNC
