Mr. Wayne Tsuda, Director  
Lead Enforcement Agency  
Los Angeles City Hall  
200 North Spring Street, Room 1905  
Los Angeles, CA 90012

Regarding: Lopez Canyon Landfill, 11950 Lopez Canyon Road, Lake View Terrace

Dear Mr. Tsuda,

At its regular General Board meeting this evening, the Foothill Trails District Neighborhood Council voted to request that the L.E.A. provide it with notification of when the Los Angeles Bureau of Sanitation makes its application to City Planning for a Zone Variance from Open Space to Commercial as was announced by Khail Gharios, Division Manager, at the June 17, 2009 Lopez Canyon Landfill meeting. In additional we would like a copy of the amendment to be added to the Final Closure documents.

The zone change request is a result of the overwhelming opposition to the Truck Driving Academy and comments to the Draft Mitigated Negative Declaration as regards Land Use. The community expects the City to uphold Councilman Alarcon's original motion, voted and passed by the City Council on June 15, 2007, to preserve the land as Open Space.

Due to the City's lack of public notification regarding this matter in the past we urge you to respond in a timely matter or we will find it necessary to file for a hearing with the California Integrated Waste Management Board.

Sincerely,

Dale Gibson, President FTDNC
